CAREER OBJECTIVE

Detail-oriented Computer Science major (3.8 GPA) currently attending Weber State University, with 3+ years of work experience. Aiming to leverage a proven knowledge of customer communications, customer satisfaction, and conflict resolution skills to successfully fill the Web Developer role at your company. Frequently praised as adaptable by my peers, I can be relied upon to help your company achieve its goals.

EXPERIENCE

CASHIER
Walmart, Perry, UT / Jul 2020 - Present
- Receive payment by cash, check, credit cards, vouchers, or automatic debits.
- Assist customers by providing information and resolving their complaints.
- Process merchandise returns and exchanges.
- Supervise others and provide on-the-job training.
- Issue receipts, refunds, credits, or change due to customers.
- Monitor checkout stations to ensure that they have adequate cash available and that they are staffed appropriately.

CREW MEMBER
Wendy's, Brigham City, UT / Jul 2018 - Jul 2020
- Maintain sanitation, health, and safety standards in work areas.
- Cook and package batches of food, such as hamburgers and fried chicken, which are prepared to order or kept warm until sold.
- Operate large-volume cooking equipment such as grills, deep-fat fryers, or griddles.
- Read food order slips or receive verbal instructions as to food required by patron, and prepare and cook food according to instructions.
- Take food and drink orders and receive payment from customers.
- Serve orders to customers at windows, counters, or tables.
